OUR BRANDS IN YOUR HANDS

ABOUT US:

Indulge is a Korea-domiciled company that imports and distributes wines and spirits. As a trend leader introducing trendy and sensual wine and spirits brands to Korea, Indulge is dedicated to providing diversity for consumers in Korea's liquor culture by representing leading, global wine and spirits brands with characteristic features in the Korean market at a time of rising awareness of global wine and spirits.

Leading brands offered by Indulge include Bernini, VOGA, PATRÓN and AGWA DE BOLIVIA. Bernini has gained tremendous popularity as a casual sparkling wine and is currently the best-seller in the domestic sparkling wine market. VOGA is an Italian wine that attracts consumers with its modern design and sophisticated yet traditional flavor while PATRÓN is a tequila produced only with 100% pure weber blue agave from Jalisco, Mexico. AGWA DE BOLIVIA is an original coca leaf herbal liqueur blended with 36 different types of herbs and botanicals, and then created by a world class master blender.

Lorem Ipsum es simplemente el texto de relleno de las imprentas y archivos de texto. Lorem Ipsum ha sido el texto de relleno estándar de las industrias desde el año 1500, cuando un impresor (N. del T. persona que se dedica a la imprenta) desconocido usó una galería de textos y los mezcló de tal manera que logró hacer un libro de textos especimen. No sólo sobrevivió 500 años, sino que también ingresó como texto de relleno en documentos electrónicos, quedando esencialmente igual al original. Fue popularizado en los 60s con la creación de las hojas "Letraset"
